

# SZC- "you did good!"

Dear Yosi,

Thank you so much for guiding us through the Bar Mitzvah process. Your warmth and enthusiasm were greatly appreciated. We look forward to repeating it all for Owen and Carl.

Sincerely,  
Gail and Scott

Good Morning Rabbi Bright,

Just wanted to say a special thank you for the beautiful service you did for my late husband's unveiling (ELI STERN). Everyone was touched by your service. I would appreciate if possible if you could send me the poem which you read at the end of the service. It deeply touched me and I think I need to keep reading it to myself. Once again thank you and I hope to meet you on happier occasions in the future.

Sincerely,  
Terri Stern

Dear Rabbi Bright,

Thank you very much for visiting Robert's grandmother in the hospital. I went to see her today and she went on and on about how nice it was that you came to see her. She had very nice things to say about you, and was honored that you took her hands and said a blessing for her. When she is feeling better and back at the Waldorf, I think it will be easy to convince her to join Rob, Naomi and I for your Shabbat service.

Thank you again,  
Stephanie
